

Oran Park High School Sibling Pickup

Please be advised that the following procedures for sibling pickup will now take place beginning Term 4. If you have directed your older child/children from Oran Park High School to pickup their younger sibling/s we ask that you communicate the following procedures below with your child.

Oran Park High School students will be issued with a pass that enables them to enter the school for this pickup agreement. They may be asked for the pass on any occasion but not expected to show the pass on arrival.

We ask that:

- * Students do not ride their bikes or scooters into Oran Park Public School when picking up their sibling. They may leave their bikes/scooters at the bike racks towards the front of the school and collect when leaving the grounds.
- * Students do not bring their friends onto the school grounds who do not have a pickup pass. They can meet their friends outside of the school when leaving.
- * Students who are waiting for their sibling are on the top concrete section of the primary school and do not enter the school before 3:10pm for Pickup.
- * Oran Park High School students and parents avoid walking down to classrooms to wait outside. Students from Oran Park Public School will be dismissed at 3:10pm to walk up to this concrete area to meet siblings. We would like to ensure this area is not congested whilst learning is still occurring.
- * Oran Park High School students display appropriate behaviour within the school. Once students collect their sibling, they should begin their journey home.
- * Students at Oran Park High School who catch a bus with their sibling are asked to wait out the front of the school for the bus. Oran Park Public School students will be walked out to the bus once it arrives.

Thank you for your support in ensuring the safety of our children when exiting the school.
