

YOUR CHILD WILL BE TAKING PART IN STRAIGHT SIGHT'S FREE COMPREHENSIVE VISION ASSESSMENTS.

All Students at Oran Park Public School will be seen by an Optometrist and an Orthoptist in weeks 3-6 of Term 1 (Monday 6th February to Friday 3rd March) 2023. The Optometrist will be checking vision, health of the eye, and any need for glasses.

The Orthoptist will check each student's eye posture, eye teaming, near and far focusing ability, 3D vision as well as colour vision.

Every student assessed who requires glasses will be given the option of choosing glasses from our FREE range.

Summary results will be passed along to class teachers. Comprehensive results of testing will be mailed to parents in the form of a vision report.

The school will be providing our Optometrists with the below details

-
1. Full Name (as it appears on your Medicare card):
 2. Date of Birth
 3. Student's Class
 4. Medicare Card Number
-

If you are happy for these details to be released, and you'd like your child's eye assessed *no further action is required*.

If you choose not to have your child's eyes assessed, please sign below to opt out. Return slip to the office.
