

2018 NSWPREMIER'SREADINGCHALLENGE

Do you love reading.....

The 2018 Premier's Reading Challenge will open on the 5th March 2018 and closes on the 31st August.

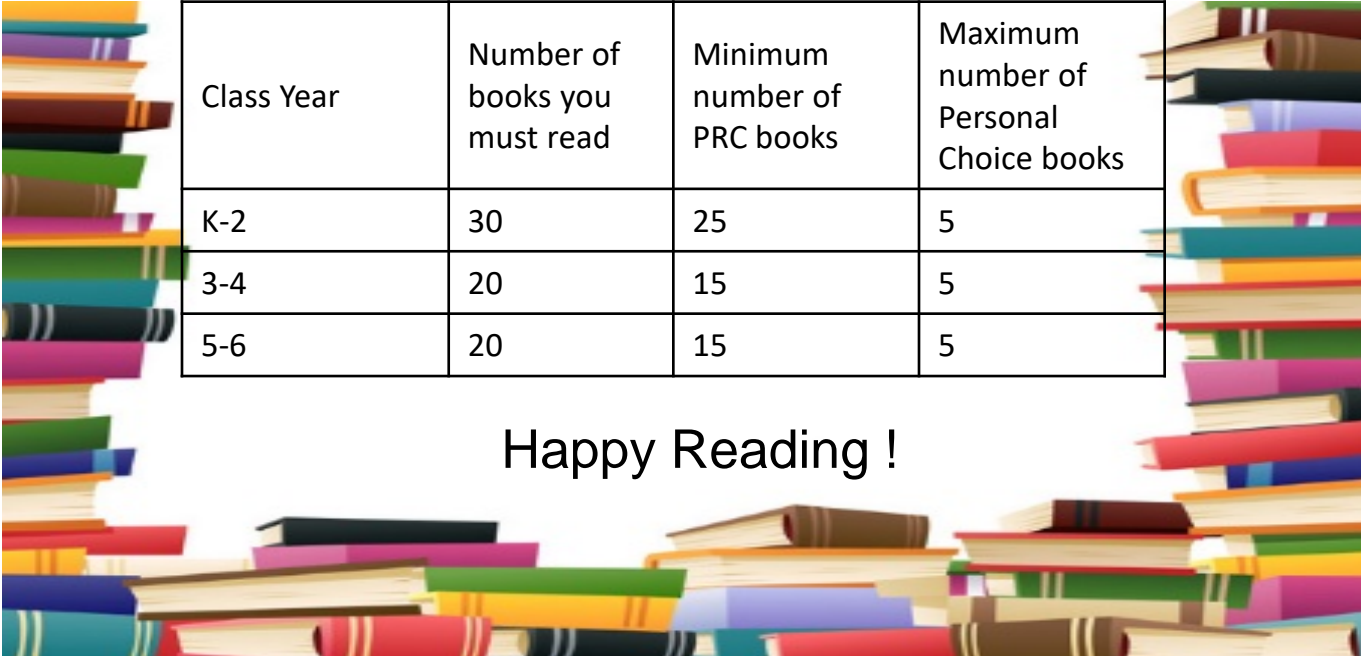

The Challenge aims to encourage a love of reading in students. All students from Kindergarten to Year 9 are eligible to participate. This year K-2 students will undertake the challenge as part of their library lessons with Miss Riquelme. Years 3-6 students who would like to participate will need to complete the challenge online at home. If you have any trouble or questions, please see Miss Riquelme in the library.

A link to the Premier's Reading Challenge website can be found in the [Student Portal](#) under the Learning section. Students can also log in to the [PRC website](#) at home using their Department of Education (DoE) username and password. These are the same details the students use to access the [Student Portal](#) and the computer network at school.

When they finish a book, students need to update their Student Reading Record with the book details. Students use their [usernames and passwords](#) to access their Reading Record online at home.

Once a student's Reading Record is complete, please let Mrs Loomes or Miss Riquelme in the library know so it can be validated.

The table below shows the number of books students need to read to complete the challenge and qualify for a certificate.

Class Year	Number of books you must read	Minimum number of PRC books	Maximum number of Personal Choice books
K-2	30	25	5
3-4	20	15	5

Happy Reading !
