## *Literacy and Numeracy Check-in Assessment for Year 3*

Dear Parents/Carers,

Year 3 students will participate in a new reading and numeracy check-in assessment during weeks 1 & 2, Term 4, 2020.

The Check-in assessment is a NSW Department of Education online reading and numeracy assessment available to support schools to assess and monitor Year 3 student learning following the period of learning from home.

The Check-in assessments can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs.

- The assessment is scheduled for our Year 3 students for Wednesday & Thursday, week 1 and Monday & Wednesday, week 2, Term 4 2020.

If your child is absent during their class assessment times, they will have the opportunity to complete the assessment at a later date.

Students with a disability may receive the same level of support during the assessment that they would normally receive in the classroom.

Students are able to bring headphones or earbuds that plug into a computer to enable them to hear audio during the assessment. Earbuds used for mobile phones or other portable devices may be suitable for use during the assessment. The type of computer connection needed is an audio jack.

If you have any other questions regarding this assessment, please do not hesitate to contact the school and ask for either Ms Bland or Mrs Selakovic.

Thank you for your ongoing support of our school and your children.

Donna Shevlin

Jodie Bland

Stephanie Selakovic
